

# Cyndi Lauper

**A** Grammy, Emmy and Tony award winning artist with 30 sterling years and global record sales in excess of 50 million, Cyndi Lauper has proven that she has the heart and soul to keep her legion of fans compelled by her every creative move.

Lauper's celebrated musical journey takes an unexpected southern turn on *DETOUR*, her 11th studio album, which finds the Grammy, Emmy and Tony-winning singer-songwriter putting her signature spin on a dozen classic country songs. *DETOUR* showcases Lauper's unmistakable voice on country classics from the '40s, '50s and '60s and features guest appearances from country music stars Vince Gill, Emmylou Harris, Alison Krauss and Willie Nelson.

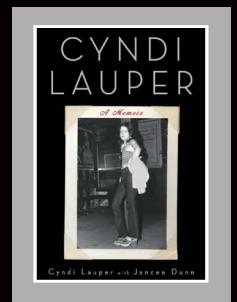

Cyndi first found acclaim in 1983, co-writing a pair of memorable singles "Time After Time" and "She Bop" for her seminal debut, *She's So Unusual*. Spring-boarding off this success, she co-wrote most of her follow-up album, *True Colors*, including the hit "Change of Heart." As her craft evolved, so did her nuance for expressing social issues, notably on *Hat Full of Stars* ("Sally's Pigeons," "A Part Hate," "Broken Glass") and *Sisters of Avalon* ("Ballad of Cleo And Joe," "Say A Prayer").

In 2013, those decades of songwriting culminated in Cyndi's first foray into Broadway, composing the music for the critically adored Broadway musical *Kinky Boots*. The musical won six Tony Awards, including one for her score, which made her the first woman to win solo in that category.
