

Seether

Since their formation in 1999, SEETHER, (Shaun Morgan - vocals/guitar, Dale Stewart - bass/vocals, and John Humphrey - drums) have become one of the most successful bands in the world. The hard rocking trio from Pretoria, South Africa has released seven albums, three of which have gone Platinum and two more that are certified Gold along with a live concert DVD that has sold over 500,000 units for total worldwide sales in excess of 6 million. The consistent hit makers have quietly amassed 12 #1 singles—eighteen Top 5 multi-format hits resulting in singles sales that top eight million, a level of success few artists working today can match.
